

Special Meeting for Road Recording

April 16, 2019 7:30

Dennis Sazama, Carol Nelson, Gary Schattschneider, Echo Dockter and Karen Marthaler were present.

The purpose of the meeting is to record the roads of Edna Township with the help of Compass Consultants. Jack Rosenthal from CC explained the project. The intent was to adopt the plats where Edna maintains the roads, cleaning up as many descriptions as possible where the physical road does not match the description.

There were 377 man hours in the project, much more than the Board or Compass Consultants anticipated.

Dave Wenzel had a question about a piece of road in Section 3. Jack Rosenthal and Maverick Larsen answered the question.

Sazama made a motion to accept the findings of Compass Consultants regarding the road recording. Nelson seconded and it passed unanimously. The Resolution to adopt, update and record these descriptions will be made at the regular monthly meeting.

This meeting was adjourned at 7:55 p.m.
